

DIVISION FOR YOUTH

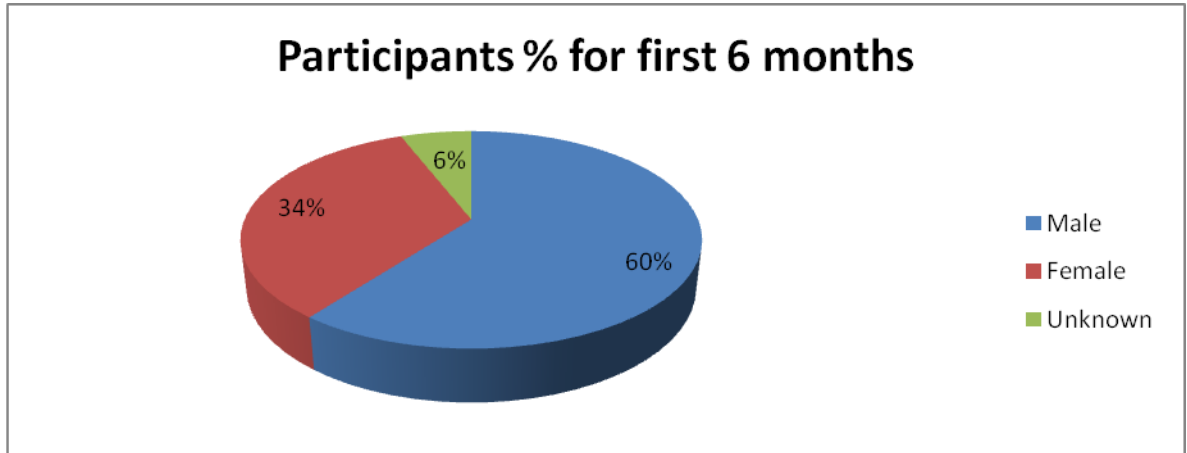

1. GENERAL DETAILS

1.1 Alignment of Implementation with Planning

- Out of 33 Programmes originally planned, DFY managed to conduct 5 more which resulted in 38 altogether.
- Implemented 100 % of planned activities for the first six months.

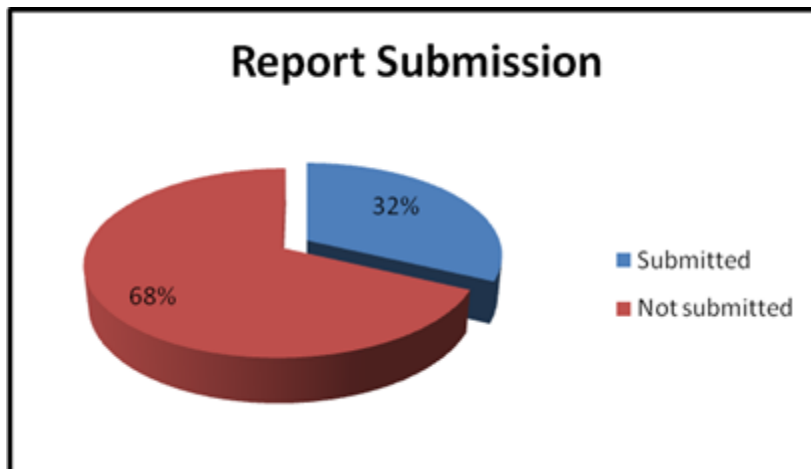

1.2 Gender Disaggregation

- There's improvement in collating data in terms of gender disaggregation compared to the previous FY however the concern is still on Projects and income generating initiatives in terms of gender disaggregation.
- There's justification of the more % of males than females given the Fathers and Sons Programme coordinated by the DFY
- The 6% however are from the IYD evaluation conducted on the successful of Media Campaign Programmes.
- Gender Disaggregated data is mainly from Capacity Building Process on Leadership skills and Good Governance. SRH Programmes and the NYW.

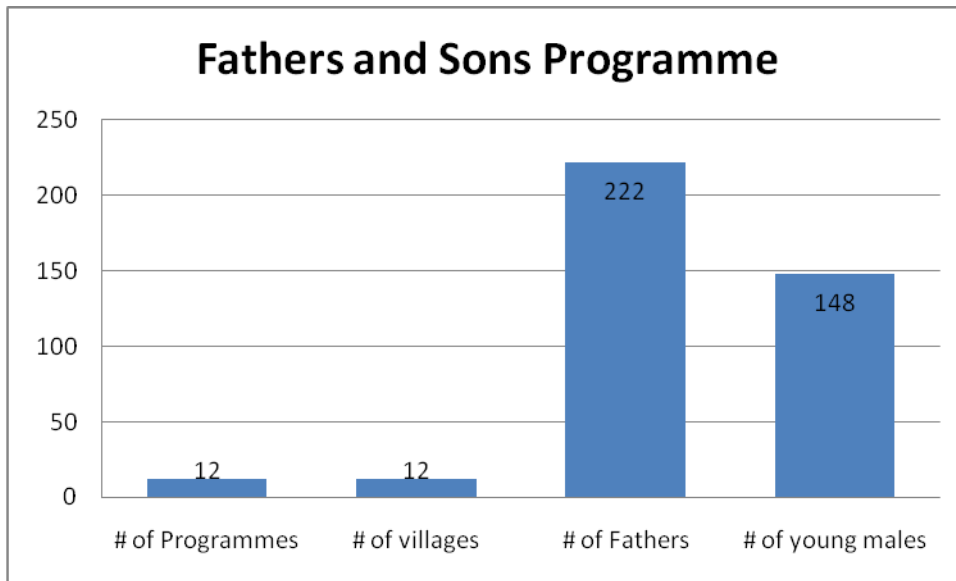

1.3 Report Submission

- 41% of submitted reports were monitoring reports and the other 41% are activities reports.
- The rest are STTN reports.

2. Analysis of Performance Measures

2.1 Increase Awareness to combat violence and SRH.

- 1 referral was made to MJCA for counseling assistance.

Recommended Areas to address:

- Increased in the understanding on the issues covered by the Programmes but need to know how its practiced.

❖ Media Campaign & SRH Programmes

- 9 SRH Programmes conducted to celebrate IYD
- 82 participants surveyed but data is not disaggregated.

Recommended Areas to address:

- Need to consider more youths in Savaii
- Activities that were only carried out in Upolu to be conducted in Savaii for the next IYD
